

CALL FOR PAPERS

Sponsored by IEEE Communications Society and
China Institute of Communications

Technically Co-Sponsored by

Beijing University of Posts and Telecommunications

The seventh IEEE/CIC International Conference on Communications in China (ICCC 2018) will be held in Beijing, China, August 16-18, 2018. ICCC 2018 aims at a key theme on “Ubiquitous Network, Intelligence and Society”. This conference will feature world-class plenary speakers, major technical symposiums, industry and academic panels, workshops, tutorials and invited tracks. The technical program chairs invite the submission of original papers to following symposia for presentation and publication in the conference proceedings and IEEE Xplore. Best paper awards will be selected from accepted papers.

To be published in the IEEE ICCS Conference Proceedings and to be eligible for publication in IEEE Xplore®, an author of an accepted paper is required to register for the conference at the full (member or non-member) rate and the paper must be presented by an author of that paper at the conference unless the TPC Chair grants permission for a substitute presenter arranged in advance of the event and who is qualified both to present and answer questions. Non-refundable registration fees must be paid prior to uploading the final IEEE formatted, publication-ready version of the paper. For authors with multiple accepted papers, one full registration is valid for up to 3 papers. Accepted and presented papers will be published in the IEEE ICCS Conference Proceedings and submitted to IEEE Xplore®. Highest quality papers will be selected and recommended for publication in the SCIE-indexed *China Communications*, jointly sponsored by CIC and IEEE Comsoc.

Submission is available in EDAS
